NEW COMPANIES TO JOIN ELEX ITALIA IN 2021

Elex Italia announces that from 1 January 2021 the following companies will be joining the consortium:

- Elcom S.r.l.
- Elettrosud S.p.a.
- Fabbi S.r.l.
- Fogliani S.p.a.
- Giovannini Group S.r.l.

With the admission of these new member associates, the Elex group further consolidates its leadership in the Italian electrical equipment distribution market, reaching a sell-out value of about 2 billion euros (according to 2019 financial statements).

Market coverage at the regional level will be completed with respect to the current situation, and in the regions that currently are already covered, the market share will be significantly improved. Elex hereby further proves to be a great opportunity to suppliers allowing them to reach the professional market in a widespread manner, thanks to its 420 sales points and over 5,000 employees.

The entry of new members, to whom we extend our warm welcome, is not only a great satisfaction for the Elex group, demonstrating the quality of the services offered by the consortium, but at the same time a stimulus to continue our path of growth and innovation.

EXCELLENT NEWS FOR ELEX ITALIA AND IMELCO BEFORE THIS DIFFICULT YEAR COMES TO ITS END!
